My dear Sir,

Many thanks for your kind note of yesterday. I shall do myself the pleasure of calling on you at the gallery, pray be so good as to inform me how late in the afternoon may I see you there, also, you will oblige me if you will post the letter you mention, to the above address.

I am sorry to have imposed upon you so long. Those large canvasses I must return to Paris in August. I shall write you in time for them to be expressed to the ship I am to sail in; I promise myself the pleasure of seeing you next week.

I am, in the meantime be assured!

Faithfully yours

Sir -

When in Paris
last autumn I had my
little girl's portrait-painted
by M. Lobichow the
Celebrated French painter of
children. It was exhibited
to the artistic club at Paris
& it by him & his friends
considered one of his best-
works. If you should
care to exhibit it in your

Gallery this summer it is
at your disposal.
